- Faithful discipleship of kids and their parents!
- Keeping kids safe by doing the ministry we do well!

THINGS TO KNOW

DROP OFF/PICK UP:

- We welcome kids in class at 10:45AM with a name tag. Please present the parent sticker and return the pager at pick up.
- Please let us know of any allergies or special needs!

SAFETY:

- In the event of an emergency, meet your children at the back of the Stewart Ave Parking Lot.
- All Belmont Kids volunteers are required to clear a background check.

SCHEDULE:

- Our elementary age kiddos are in service about once a month. We believe this will help both our kids and parents, so kids are prepared by 6th grade to attend service and parents are prepared to have them in service regularly. *See the calendar on reverse for dates!*
- Our regular attenders, who have children in Belmont Kids, are encouraged to serve monthly! This is a blessing to everyone, as we serve one another. Let us know when you're ready to join us.

SICK CHILD POLICY:

- It's best for children with the following symptoms to stay home: Fever, vomiting, diarrhea, eye infections, head lice, common cold, unexplained rash, sore throat, or any symptoms other communicable diseases.
